

Virtual Leadership Development Series  
**Self-Leadership & People-Leader Best Practices**

As we navigate and adapt to new business practices and changing customer behaviors, our role as leaders is to:

- ◆ Provide Empathy & Clarity
- ◆ Foster Relatability & Flexibility
- ◆ Elevate Productivity & Capability

Leading remotely—or in socially distanced workplaces—requires an enhanced skill set that owns vulnerability as well as strategic possibility.

Knowing that leadership development is even more essential today, C3 Leadership has crafted 20+ virtual and interactive 75-minute learning experiences that build off of one another, or can stand on their own in micro-learning units.

Virtual Content Sessions include some of the following:

Self-Awareness as Self-Leadership	Emotional Intelligence: 21 <sup>st</sup> Century Skill Set
Managing vs. Leading	Trust & Vulnerability in Leadership
Psychological Safety & Teams	Company Culture and Mission Ownership
Clarity & Accountability	1:1 Best Practices and Meeting Format
Valuing Feedback & Relevant Method	Delegating & Performance Development
Coaching as the Lead Skill-Set	Behavioral Norms & Honoring Differences

Method of delivery includes an adult-learning practice with the learning dynamic changing roughly every 7-9 minutes:

- ✓ Chat Box
- ✓ Leadership Content, Theory, Competencies
- ✓ Short Ted Talks/Movie Clips
- ✓ Break-Out Rooms
- ✓ Polling
- ✓ White Boards
- ✓ Teach Backs
- ✓ Current Business articles: Inc., Forbes, Entrepreneur, Harvard Business Review

Architect & Delivery Facilitator: Dr. Bill Dickinson, Senior Leadership & Executive Coach
